Width (mm)		1865	1865
Wheelbase (mm)		3130	3130
Towing capacity - braked (kg)		-	1800
Towing capacity - unbraked (kg)		-	750

Note: **•ASTC:** The control capabilities of Active Stability and Traction Control [ASTC] are supplemental only. Please drive safely and never rely solely on these functions whilst driving. Be sure to use the same specified type and size of tyres on all 4 wheels. Do not instal any aftermarket limited slip differential on your vehicle. **•HSA:** Hill Start Assist [HSA] is not a substitute for safe driving. Never rely solely on this function whilst driving on steep roads. Your vehicle may move backwards if the brake pedal is heavily loaded, or if the road is very steep or slippery. This function is not designed to keep the vehicle stopped in place on uphill slopes for more than 2 seconds. Do not rely on this function to maintain a stopped position as an alternative to depressing the brake pedal. **•HDC:** Hill Descent Control [HDC] is not a substitute for safe driving. Never rely solely on this function whilst driving on steep roads. When driving on slippery roads such as muddy, icy, or unpaved roads, your vehicle will not allow you to stay at a certain low speed, which may lead to a serious accident.

Drivers are fully responsible for their own safe driving. Please drive safely and do not rely solely on these systems whilst driving. Please see the owner's manual for additional information. If you have any questions, please consult your local MITSUBISHI MOTORS dealer/distributor for details.
